

# NASA International Space Apps Challenge 2020

Organized by Nepal Astronomical Society (NASO)

## Local Judging Result

Itahari

1. **Team Thinkers** | *Sustaining Our Planet for Future Generations*

<https://2020.spaceappschallenge.org/challenges/sustain/sustaining-our-planet-future-generations/teams/team-thinkers/project>

2. **Astrosky** | *Let's Connect*

<https://2020.spaceappschallenge.org/challenges/create/lets-connect/teams/astrosky/project>

3. **Team Planet** | *Sustaining Our Planet for Future Generations*

<https://2020.spaceappschallenge.org/challenges/sustain/sustaining-our-planet-future-generations/teams/team-planet/project>

Janakpur

1. **MANGAL YATRA** | *Putting the 'Art' in Artemis*

<https://2020.spaceappschallenge.org/challenges/create/putting-art-artemis/teams/mangal-yatra/project>

2. **AstroGold** | *Sustaining Our Planet for Future Generations*

<https://2020.spaceappschallenge.org/challenges/sustain/sustaining-our-planet-future-generations/teams/astrogold/project>

3. **IMPACT** | *Sustaining Our Planet for Future Generations*

<https://2020.spaceappschallenge.org/challenges/sustain/sustaining-our-planet-future-generations/teams/impact-2/project>

# NASA International Space Apps Challenge 2020

Organized by Nepal Astronomical Society (NASO)

Lalitpur

1. **VECTORR** | *Breakthrough*

<https://2020.spaceappschallenge.org/challenges/create/breakthrough/teams/vectorr/project>

2. **Team Tyro** | *Mission to Planet Earth: A Digital History*

<https://2020.spaceappschallenge.org/challenges/inform/mission-planet-earth-digital-history/teams/team-tyro/project>

3. **Space Wizards** | *Mission to Planet Earth: A Digital History*

<https://2020.spaceappschallenge.org/challenges/inform/mission-planet-earth-digital-history/teams/space-wizards/project>

Pokhara

1. **Mere Mortals** | *Better Together*

<https://2020.spaceappschallenge.org/challenges/confront/better-together/teams/mere-mortals/project>

2. **SpaceMappers** | *Space Exploration in Your Backyard*

<https://2020.spaceappschallenge.org/challenges/connect/space-exploration-your-backyard/teams/spacemappers/project>

3. **The VEX** | *Orbital Sky*

<https://2020.spaceappschallenge.org/challenges/connect/orbital-sky/teams/the-vex-1/project>

# NASA International Space Apps Challenge 2020

Organized by Nepal Astronomical Society (NASO)

Butwal

1. **Petrichor** | *Sustaining Our Planet for Future Generations*

<https://2020.spaceappschallenge.org/challenges/sustain/sustaining-our-planet-future-generations/teams/petrichor/project>

2. **Enthusiasts** | *Breakthrough*

<https://2020.spaceappschallenge.org/challenges/create/breakthrough/teams/enthusiasts-1/project>

3. **Carbon Deleters** | *What Is Our Carbon Footprint?*

<https://2020.spaceappschallenge.org/challenges/inform/carbon-footprint/teams/carbon-deleters/project>

Surkhet

1. **OnePiece** | *A Flood of Ideas*

<https://2020.spaceappschallenge.org/challenges/confront/flood-ideas/teams/onepiece-2/project>

## About the Awards

*The first and the second position projects are Global Award Nominees from the locations and the third position projects are Local People's Choice Award Winners*

## What is next?

We have submitted the Global Award Nominees for further evaluation by the global judges. We will now wait for:

- Global Finalists announcement: **December 2020**
- Global Winners announcement: **January 2021**
